FRESH PHOTOGRAPHY FOR HIP HOMES

Jennifer Squires Productions releases a new set of flower photographs.

Jennifer Squires Ross, photographer and founder of Jennifer Squires Productions, has recently announced the completion of a new set of flower photographs. Currently this contemporary photography collection includes roses, calla lilies, tulips, gerberas, and peonies.

Some of the more notable pieces include "Peony #16", which is a close-up of a brilliant pink peony that employs very shallow focus, and "Gerbera #61", showcasing the subtleties of the backside of a gerbera daisy. The mottled "Five Roses", cream rose blossoms on a green background, has an impressionistic quality that can also be seen in "Unfurl".

These fine art photographs are suitable for dining rooms, living areas, bedrooms, and offices, and can be produced as large as 24x30 inches or as small as 4x6 inches. Jennifer's photographic art can be viewed at www.jennifersquires.ca and is available for sale via Etsy at www.jennifersquires.etsy.com.
