FOR IMMEDIATE RELEASE

Magical Summer Evenings

Jennifer Squires Ross, photographer and founder of Jennifer Squires Productions, presents a pair of images called Magical Summer Evening 1 + 2. Currently this contemporary photography collection is comprised of two calm and quiet images captured at an outdoor festival.

Reminiscent of warm summer evenings at an outdoor market these photographs evoke feelings of nostalgia and magic. The intentional blur adds a mystical quality while also altering any sense of scale. Hung together the Magical Summer Evening images can really set the mood of your room.

These fine art photographs will compliment dining rooms, living areas, bedrooms, and offices, and can be produced as large as 24x24 inches or as small as 5x5 inches. Jennifer's photographic art can be viewed at www.jennifersquires.ca and is available for sale via Etsy at www.jennifersquires.etsy.com.
